MULTI ACADEMY TRUST

Dear Parents/Carers,

Your child uses a software program called Renaissance (Accelerated Reader/myON) to support them with their reading. The program has a feature called **Home Connect** which you can access outside of school. Home Connect allows you to view information about your child's progress. It also allows you to sign up to receive email notifications after they complete an activity or assessment in school.

You can login to Home Connect from any computer and compatible browser. See here for a list of compatible browsers:

To login in to the Home Connect website:

The username and password are your child's Accelerated Reader details.

Please continue to speak to your child's class teacher if you need any support with reading.

Best wishes,
Miss Slater
