## 2 What pupils said

CLASS

Class 4BP

- Sometimes people use a bus to come to school but this wasn't an option.

CLASS

Class 3VS

- Some children do a mixture of driving and walking or come to school in different ways with different adults

CLASS

Class 6AA

- In our group half of us said car and half of us said bike. People should walk because you get fresh air. Some people can't walk or go on a bike so their only option is a car. Please could we have more bike racks. Maybe we could have a school bus.

NEW IDEAS FOR THE SCHOOL

- The School:** To have a school bus.
- Opal team:** More balls
- OPAL team:** Basketball hoops with a back on them.
- OPAL:** Could we speed up growing the grass on the football pitch with sprinklers?
