# Reception Round Up

Thursday 22nd October 2026

This week, we finished our topic on 'Heroes Among Us'. We spent time looking at the fire service. The children enjoyed creating fire engines, drawing firefighters and building fire stations with construction resources.

As part of Drawing Club, we read the story 'I'm Not Just a Scribble'. The story celebrates all our differences and highlights that we are all artists in our own way. We then drew adventure vehicles that our scribbles could ride in and practised our pre-writing shapes as our code.

We finished off our learning on the 'Taking Care Project'. We established our 'network hand', deciding who are our safe adults that we can go to if we begin to feel our 'early warning signs'.

On Wednesday, we had open morning. The children enjoyed showing the visitors their learning and explaining our routines.

We finished off the week with our school photos. Please check your child's bookbag for their proof card and place an online if you wish.

After half term, we will be beginning our topic on 'Shining Bright' and dive into our preparation for our Christmas Nativity performance!

A small reminder, there was no homework set this week. Instead, please read with your children and above all, enjoy spending time with your family.

Thank you for your continued support and enjoy the half term break!
