Inter Faith Week Homework

Set: 12.11.26 Due 16.11.26

This week, the whole school will be completing some homework based on Inter Faith week (please see below).

Please also continue to read your AR books at home and at school.

This week, Coten End has been celebrating Inter Faith Week.

Adults can find more information here - Home | Inter Faith Week 4 Schools

Inter Faith Week is where we discuss other faiths and their beliefs. This week, we have discussed our own beliefs in class and heard from Guest Speakers about different religions.

The theme for Inter Faith Week this year is 'Lighting the way for a shared future'. This means thinking about how we can help each other and work together, no matter our beliefs, to create a bright future for us all. Your homework this week is to write a poem (no more than 20 lines), in any style, based on this theme 'Lighting the way for a shared future'.

You can draw on your own experiences, to make it a personal poem, or it can be more general about what various faiths and cultures believe.

If you would like to use the acrostic poem on the next page, you can.

However please feel free to be as creative as possible and write any type of poem you wish.

Please hand these into your teachers and these will be entered into a competition. Every entry will receive a certificate.
