

Coten End School Song

1. Our school was built in Victorian times,
They wrote on their slates and sat in lines,
It's more fun in modern days
We play and learn in lots of ways.

Chorus

*At Coten End we're all good friends,
And our friendship never ends,
We're like one big family,
We're always smiling, you and me.*

2. The building work started two years ago,
It's been a joy to watch our super school grow.
Brand new classrooms, a giant new hall,
An even better Coten End for us all.

Chorus

3. Swimming and dancing and PE,
Reading and writing, ICT,
House points, marbles, our success,
Reaching our targets, doing our best.

Chorus

4. Fun Christmas plays, the tree so bright,
It's Coten End, the school we like,
Mental maths and multiplication
What a great start to our education!

Chorus
