

Year 1 – Autumn 1 – Incredible Me

History

Changes Over Time

This half term we are going to be looking at changes over time. First, we will begin to understand how a timeline shows chronology. We will then consider how we have changed over time, recall our own experiences from the past and then think about how things have changed for our parents and grandparents.

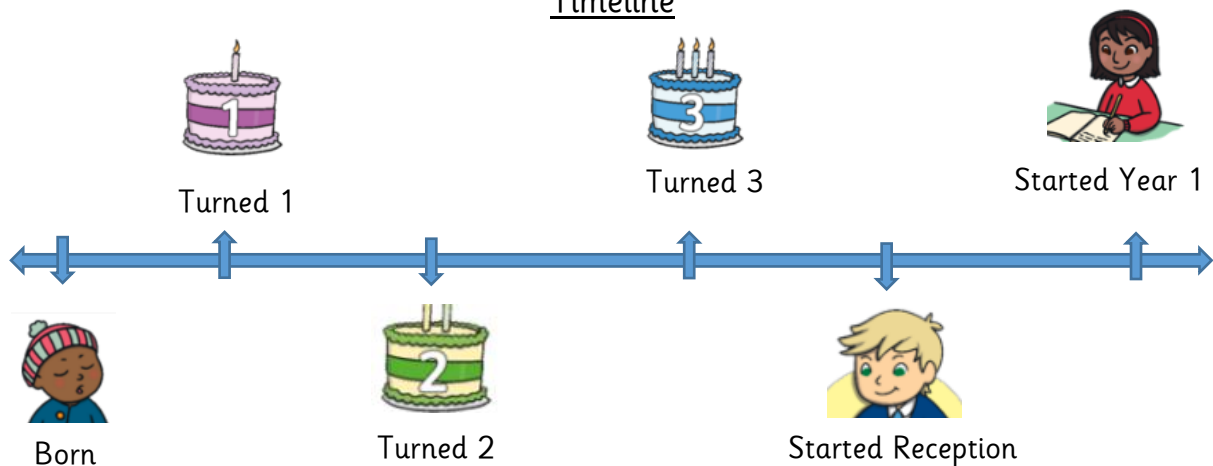

Key Questions

- How has my life changed since I was a baby?
- Can I retell a story or event from my own past?
- How has life changed from when my parents/grandparents were young?
- Can I put some events in order to show when they happened?

Key Vocabulary

old	Something which belongs to the past. Something from a long time ago.
new	Something which has not previously been used or owned.
past	Events which have occurred before a certain point in time.
modern	Something relating to now. Something that is up to date.

Timeline

Home Learning Suggestions

- Ask your parents or grandparents what life was like when they were children. Do they have any old photographs they can show you?
- What were their toys and clothes like?
- Make a timeline of your life – make sure that everything is in the right order.
- Write down a memory you have of something that has happened in your past. You might like to create some artwork to show the memory.
