

Receptions' Round Up

Friday 27th February

Snapshot of the Week

We would like to start this week's round up by wishing those of you partaking a peaceful and happy Ramadan. Additionally, we hope those celebrating Lunar New Year have enjoyed it - our creative area was heavily inspired by it, with the children making paper chain dragons and water colour lanterns. This week, the children have also been doing Dance with Suzanne as part of their PE lesson. They thoroughly enjoyed it and were enthusiastic to share what they had learnt. In Drawing Club, we have read 'Billy's Bucket'. We talked about the different ways that they could rescue the whale and get him back into his bucket. The children wrote a full sentence, describing the whale and their 'code word'. The ideas generated were, as ever, creative and fun!

Phonics

This week, we have been focusing on revising the digraphs and trigraphs. If this is something your child struggles with when reading, feel free to point them out beforehand. This will help your child with their fluency.

Ways to Help at Home

In anticipation of our Come and Play sessions, we would love it if you were able to read 'What the Ladybird Heard' - Julia Donaldson.

Additionally, we would be grateful to you for collecting any kitchen/toilet rolls for us to use on the day!
